**REQUEST TO CORRECT IMAGE FILE WRAPPER (IFW)**

Dear Sir:

Applicants received a "Supplemental" Notice of Allowability dated July 16, 2004 and attached to the Supplemental Notice was a copy of an information disclosure statement (IDS) dated December 23, 2003 (including 2 pages of statement and 8 pages of PTOL-1449). This particular copy of the IDS was initialed by the Examiner, and showed that all references were considered.

However, a review of the Image File Wrapper (IFW) on PAIR, shows only two pages of the Supplemental Notice dated July 16, 2004. The ten page attachment to the Supplemental Notice is not present in IFW, although a box at the bottom of the Supplemental Notice (see second page in IFW dated July 16, 2004) is marked as follows: "Attachment(s) 3 ☒". This proves that the 10 page attachment was an integral part of the Supplemental Notice but is somehow missing from the IFW.

Therefore, the undersigned hereby requests that the IFW be updated to add the ten page attachment which shows consideration of all cited references.

Should there be any questions, please call the undersigned at (408) 982-8200, ext. 3.

**CERTIFICATE OF FACSIMILE TRANSMISSION**  
I hereby certify that this correspondence is being facsimile transmitted to the U.S. Patent and Trademark Office to the fax number (703) 872-9306 on November 27, 2004.
